AGSV SPORTING COMPETITIONS

CODE OF BEHAVIOUR

The Heads of the Associated Grammar Schools of Victoria welcome the many opportunities available to their students to take part in inter-school competitive sport. It is their aim to make the games enjoyable in terms of athletic achievement and friendly rivalry.

Coaches and players should aim at maintaining a high standard of sportsmanship in all competitive games sponsored by the AGSV. A good spirit is to be actively fostered between teams and between schools before, during, and after a game.

The Heads offer the Code for the acceptance of all associated with the schools in the belief that the game and the good fellowship that can flow from inter-school fixtures, are more important than the result.

They are convinced that observance of this Code by players and spectators is desirable and essential in the better interests of both players and the schools.
