# A Summary of 2012 Year 12 Results

I congratulate the class of 2012 on their excellent VCE results and I thank them for their outstanding contribution to the School. This is my fourteenth year as Headmaster of Trinity Grammar School and I am delighted that 2 of the boys who scored above 99, also commenced at Trinity, albeit in the Early Learning Centre, fourteen years ago.

Our ATAR Scores have been extremely consistent over the last 7 years and I am very pleased that 2 boys, who both started in the Junior School, have been awarded the School Council Prize. Eleven boys scored an ATAR above 99, while 26 boys scored above 97. Sixty-one (37%) of our boys scored above 90, while almost two-thirds of the boys scored an ATAR above 80.

I am delighted that so many boys have aimed for high results and in most cases they have exceeded their expectations. Trinity is not just about academic results and this year, the senior boys have lead the School with distinction. They are a wonderful, cohesive, and friendly group of young men. They have participated in 2 outstanding drama productions – *The Tempest* and *Grease*, enjoyed a victory in the RACV Energy Breakthrough competition, performed some wonderful music and have taken part in a combined concert with Ruyton Girls' School, and won 2 sport premierships in Athletics (5th year in a row) and Football for the first time in thirty six years.

Next year is the 20th year of the Coordinated Education Program with Ruyton Girls' School where we share many classes at Year 11 & 12. I am delighted that 2 Ruyton girls scored 50/50 in Unit 3 and 4 Studies they have taken at Trinity. There were 9 individual subject scores of 50 in 2012 and 21.4% of individual subject scores were listed as 40 or better.

I am immensely proud of all our boys and I would particularly like to thank the teachers who devote so much time to assisting our students.

## School Council Prize

**Benjamin Ditchfield and Alexander Faithfull 99.9**

This year, the School Council Prize is shared by 2 outstanding young men who both scored an ATAR of 99.9.

Ben, who was School Vice-Captain, started at Trinity in 2003. Ben is an excellent debater and public speaker, winning the Trinity Bunting Oration and the Victorian Swannie Award in 2011. Ben studied French, Renaissance History, Chemistry and Specialist Maths and achieved a perfect score in English. He was the Dux of Humanities.

Alex commenced at Trinity in 2005 as a St. Paul's Chorister. He was a very keen bushwalker, Squash (Captain) and Hockey (Vice-Captain) player. Alex was the Captain of Roberts House. Although Alex did not score a perfect 50, his English and Physics marks were excellent. Alex won the prize for German and Specialist Mathematics.

Both boys were musicians and Leppitt (Outdoor Program) Leaders. While Ben and Alex dedicated themselves to their studies, they both participated fully in all School co-activities.

Trinity congratulates Ben and Alex on their first class results.
