

Science Laboratory Technician (Biology)

About Trinity Grammar School, Kew

One of Australia's leading independent schools for boys, Trinity Grammar School, Kew is renowned for its innovation in pedagogy, exceptional teaching and facilities. We offer a broad cocurricular program and are committed to the highest levels of student wellbeing so that each boy develops to his full potential.

The Position

We are seeking an experienced and organised Science Laboratory Technician to provide technical support and laboratory coordination within our Science Faculty. To be successful in this role, you will demonstrate strong attention to detail and a calm approach to undertaking your duties.

Reporting to the Head of Science Faculty, our Laboratory Technician is responsible for setting up and clearing up practical classes, maintaining and organised and clean laboratory, handling and caring for live animals and providing technical support and advice to the wider science faculty.

This is a term-time only position.

All employees of Trinity Grammar School, Kew must hold a current Working with Children's Check.
