

Update - Nominations Committee – Interim School Council

The Nominations Committee's objective is to nominate four new directors to a seven member (excluding nominees from the Parents' Association, the OTGA and the Archbishop) Interim School Council no later than 31 May 2018.

The Nominations Committee is acutely aware of the urgency and the community's intense interest regarding its work and, in the spirit of openness and transparency, is providing regular updates.

At its meeting on 8 May 2018, the Nominations Committee confirmed that each of its five members had been provided with copies of all 43 applications that were received by The Insight Group, by the deadline for applications (4 May 2018).

The applications are all of high quality. Each member of the Committee has reviewed all the applications to short-list those who will now be interviewed on 19 and 20 May 2018.

We confirm the Nominations Committee is working towards the following timetable:

4 May 2018 - Applications for Director positions closed

8 May 2018 – Short-listed candidates identified by the Nominations Committee for interview and will be contacted by 11 May 2018

19 & 20 May 2018 - Interviews with shortlisted candidates

21 May 2018 - Recommendations by the Nominations Committee for appointments determined

28 May 2018 - Written recommendations to be prepared for submission by the Nominations Committee to the Council.

The Nominations Committee
