Dear Parents and Members of the Trinity Community

I am writing to let you know that our Deputy Headmaster, Head of the Senior School, Rohan Brown, left Trinity last night after due process was followed.

The handling of a disciplinary issue by Mr Brown earlier this term was in contravention of school policy and was also inconsistent with community expectations in this day and age. As a result, the School Council was of the view that Mr Brown's leadership position at the school was no longer tenable.

An interim leadership structure has been put in place while the Council conducts a search for a Deputy Headmaster to start with the School at the beginning of the 2019 School year. The interim leadership will include Mr Ben Hinves, the Director of Studies, assuming the role of Acting Deputy Headmaster, Head of Senior School for the remainder of 2018. Mr Hinves has strong school leadership experience, having been Director of Studies at Trinity since 2016 and previously in the role of Headmaster at two international schools.

Notwithstanding the circumstances of his departure, the School recognises that Rohan has given tremendous service to the School over close to three decades and on behalf of the School Council and our Headmaster Michael Davies, I would like to thank Rohan for his very significant contribution to both the School and the many boys who have attended Trinity during his many years with the School. We are all disappointed and deeply saddened by the situation.

Yours sincerely

Roderick L J Lyle
Chairman of Council
