Scholarships for General (Cocurricular) Excellence

Supplementary Information

Scholarships are offered to boys who demonstrate an outstanding potential to benefit from, contribute to, and influence others through the School's Academic, Musical or broader Cocurricular Programs.

Scholarships attract a reduction in tuition fees only, as determined by the Principal. Scholarships continue while the student remains at Trinity, subject to the School's standard *Conditions of Entry* and also to periodical *Performance Reviews* through which the holder demonstrates exemplary standards of effort, progress, involvement, contribution and influence on his peers.

Scholarships for General Excellence are offered to students entering Years 7 to 11 from outside the School, on the basis of a student profile and interview.

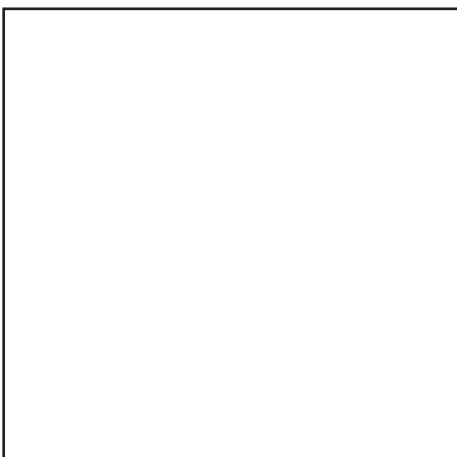

You must submit a profile of your son's achievements, together with the completed copy of the Application Form in person or via admissions@trinity.vic.edu.au, by the due date.

The student's profile must demonstrate a balance between his talent in a range of Cocurricular areas, his qualities of leadership, his willingness to become involved in all facets of school life and his academic potential.

Applications must include a copy of the applicant's last two school reports. Two references are to be provided, one from the boy's current Principal or class teacher and the other from a person relevant to the area of Cocurricular excellence.

As part of the award process, boys are invited in, together with their families, for an interview with the Selection Panel during August each year.

A Scholarship for General Excellence is subject to a periodic performance review which addresses the criteria applicable to all scholarships at Trinity whilst laying particular emphasis on the standards in the School's Cocurricular Policy.
