FOR YEAR 12s

Reminder: Aspire – Early Admissions Program to La Trobe

Year 12 students applying for La Trobe's Aspire Program are reminded that applications close on 31 August 2019. A reminder that applicants are required to provide information about the length and frequency of their community service and/or volunteering experience, as well as a 400-word description of their involvement and impact.

Types of volunteering include –

- community service or community group activities
- religious/cultural group activities
- participating in social justice groups or a school leadership role
- leadership in sport, the performing arts or charity fund-raising group activities

Early Conditional Offers will be released mid-September. Further details can be found at the [How to Apply](#) link.

Reminder: Community Achiever Program (CAP)

Year 12 students applying for ACU's Community Achiever Program are reminded of the following –

CAP applications to study in 2020

- Close – Wednesday 14 August 2019 (Melbourne courses)
Wednesday 28 August 2019 (Ballarat courses)
- Early Conditional Offers released within two weeks of applications closing

Failure to meet all the requirements for the CAP will result in not being considered for the

program. Students are encouraged to browse [how the CAP is assessed and offered](#) so they can make sure their submission is well-written. Find out more at [Community Achiever Program \(CAP\)](#)

Monash University – Music Audition Preparation Course

The Monash Arts Audition Preparation Course - Jazz and Popular Music is here again. This two-day short course is designed for jazz/popular instrumentalists and vocalists.

Students will explore the ensemble and performance processes that build the skills required to audition for entry into the Sir Zelman Cowen School of Music. They will also gain an understanding of the expectations of the Bachelor of Music.

The course takes place on the weekend of 24 and 25 August. For more information, please contact [Rob Burke](#).

News from RMIT University

➤ New Bachelor of Space Science

Did you know that space is a \$495 billion dollar industry? Australia currently does not have sufficient skilled professionals to meet this need. In response to this, RMIT will launch the Bachelor of Space Science for the February 2020 intake. This degree encompasses RMIT's strong space industry and space agency partnerships with government and industry, including connections with Boeing, the Department of Defence and NASA.

Further information can be found at [Bachelor of Space Science](#)

➤ Bachelor of Engineering (Honours)

This new degree will allow entry with any maths including Further Mathematics, opening doors to many students who would otherwise miss out without the Maths Methods prerequisite. Students will have the opportunity to choose from a wide range of specialisation electives in their first year, giving them the information, they need to choose the area they would like to focus on and continue from in their second year.

Further information can be found at [Bachelor of Engineering \(Honours\)](#)

➤ Bachelor of International Studies

This degree will replace the Bachelor of Arts (International Studies) for students commencing in February 2020. Within this course, students will be able to specialise in one of four streams:

General international studies, development, global security, or languages, as well as choose electives. Students will develop skills in international relations, diplomacy, business, and humanitarian policy and have the opportunity to complete an internship in Australia or overseas.

Further information can be found at [Bachelor of International Studies](#)

News from Swinburne University

➤ Architecture at Swinburne

From crafting areas that promote wellbeing, to engineering bridges and designing interiors for the future – choose a course in Built Environment and Architecture at Swinburne, and you'll learn how to apply innovation in spaces far and wide.

Swinburne offers a range of architecture-related courses. Two such courses are –

- The [Bachelor of Design \(Architecture\)](#) that focuses on building design, and students get to tackle digital technology, environmental awareness, construction, practice, ethics, history and theory as they gain skills for the future of architecture. Selection into this course requires Units 3 and 4: a study score of at least 25 in English other than EAL or at least 30 in English (EAL) and an online digital portfolio.
- The [Bachelor of Architectural Engineering](#) allows students to not only design the aesthetics of buildings, but also learn foundational engineering disciplines too.

➤ New Bachelor of Laws/ Bachelor of Criminal Justice and Criminology

New in 2020, the double degree in Law/Criminal Justice and Criminology will be offered. Currently the only one of its kind in Victoria, this 5-year degree offers the combination of an accredited law degree with a specialised education in the causes of crime (Criminology) and the

fallout of crime (Criminal Justice). This course equips students with the advanced skills to solve complex legal problems in an increasingly complex society. A study score of 25 in English or 30 EAL is required, and an anticipated ATAR of 90.
