### *New Joint Medical Program between CSU and WSU in 2021*

Charles Sturt University and Western Sydney University have partnered up to create a new Joint Program in Medicine, based at CSU's Orange campus starting in 2021.

You can go straight into the program after completing year 12 – no prior uni experience is required. Applications for the program will open through UAC in April.

Applicants must also sit the UCAT for admission, with registrations opening in March.

They are putting a strong focus on enrolments from students in rural and regional areas.

Find out more about the new program here: <https://study.csu.edu.au/courses/medicine>

### *Apply Direct to ANU for Early Entry*

ANU is now offering direct entry applications to year 12 students, with the chance of receiving a conditional offer for early entry. Applying directly to ANU is totally free, and you don't need to apply through UAC.

This means you can get an offer to study at ANU before you sit any exams.

Through the application you will also automatically be assessed for guaranteed accommodation and any scholarships you might be eligible for.

Direct applications to ANU open on Wednesday 4 March and will be open until Monday 25 May.

### *Reminder: ANU Tuckwell Scholarship*

Australian National University (ANU) launched the Tuckwell Scholarship Program in 2013. The Tuckwell Scholarship Program at the ANU is the most transformational undergraduate scholarship program in Australia. A Tuckwell is not just about a students' intellect. It is also about their desire and determination to use their natural abilities to realise their full potential so that they can make a difference in the world. All up one could say, this is no ordinary scholarship!

So, Tuckwell Scholar students will receive:

- \$21,850 per annum (2019 rate) (increasing with inflation) for each year of their degree, for up to five years, to cover on-campus residential costs, books, and general living expenses
- priority access guaranteed to ANU-approved student accommodation
- an annual allowance of up to \$2,000 to assist with their move to Canberra and to support two annual return journeys (e.g. airfares) between their home and the University for each year of their degree. The allowance will be dependent on the proximity of their family home to ANU.

- a domestic economy return airfare, or other transport costs, for their parents to visit at the start of the program, and
- an [ANU Fitness Centre membership](#) for the length of their degree.

Scholarships are awarded based on four criteria:

- academic potential and achievements to date;
- other significant achievements to date, of any type;
- demonstration of the [Attributes of a Tuckwell Scholar](#); and
- a [desire to eventually give back to Australia](#).

Applying for a Tuckwell Scholarship is a three-stage process that commences with an initial application from yourself and a recommendation from your school teacher. Shortlisted applicants will complete a more detailed application in stage two (including a recommendation from your school Principal) and final candidates will be interviewed during July for stage three.

Key dates for the Tuckwell Scholarship application process for students Year 12 in 2020 are now available.

4 March 2020	Stage 1 Applications open: 12.00pm (AEDT)
25 March 2020	Stage 1 Applications due: 3.00pm (AEDT)

## FOR YEAR 11s

### *Swinburne Early Leaders Program*

You're eligible to apply for the Early Leaders Program if you're currently in Year 11, (including VCE, IB and VCAL students, plus regional students and those outside of Victoria).

You'll get to build on and document all your extra-curricular activities, as well as reflect on your individual strengths and interests.

You'll have to complete one core certificate and one of three elective certificates by the end of October deadline, and you can do the certificates either on campus at Swinburne or entirely online.

Benefits include:

- Completion of the program could help you stand out on your applications for jobs and further study
- develop life skills
- grow your confidence
- increase your employability
- gain recognition for achievements from a leading university
- get out of your comfort zone and try something new

- develop the skills that will help you successfully transition to tertiary study

You'll also get to attend workshops and seminars including:

- Meet a Swinburne student – talk to a student studying a course you're interested in. (Offered on campus or via Skype or phone)
- Introduction to academic writing (offered as a webinar)
- Career planning (offered on campus and as a webinar)

If you successfully complete the program and apply to Swinburne for future studies, you could also get up to two aggregate points added to your application.

Expressions of interest for a February 2020 start are open now.

Find out more information or submit your enquiry here:

**Domestic students: Provisional Summary of Procedures for 2021 entry to Courses in Medicine in Australia (MAKE SURE YOU VERIFY THIS INFORMATION)**  
**Everything possible is done to ensure that this information is correct, but you MUST confirm that information has not changed before you prepare your application.**

<b>Graduate Medicine</b>	Prospective students are generally selected using three criteria: <b>GAMSAT</b> (includes 1 <sup>st</sup> Year Biology and Chemistry and Year 12 Physics knowledge), <b>GPA</b> and an <b>Interview</b> (mostly MMI). In addition, the <b>University of Melbourne</b> is restructuring its Medicine Degree for 2022 entry so keep updated at <a href="https://medicine.unimelb.edu.au/news-and-events/towards-2022-the-new-doctor-of-medicine">https://medicine.unimelb.edu.au/news-and-events/towards-2022-the-new-doctor-of-medicine</a> . <b>Monash University (Gippsland)</b> requires an UG degree from Monash (most places allocated to Biomedical Science, with a few places for Pharmacy, Physiotherapy, and Science – may require designated units)
*	<b>Graduate Medicine degree is open to Graduates only.</b> Some of the universities offering these courses also offer limited <b>Provisional Entry or pathways for school leavers</b> , and generally these require you to do your Undergraduate studies through this university and meet all further selection criteria as set by each institution.
***	University of Notre Dame teaches medicine at its Sydney campus too; a number of CSP places are on offer - <a href="http://www.nd.edu.au/sydney/schools/medicine">http://www.nd.edu.au/sydney/schools/medicine</a>
Rural/Remote	Please note that most Medicine degrees have an additional selection stream for students with a specifically defined Rural/Remote background. Further information is available on each institution's website.

**International Students: Provisional Summary of Procedures for 2021 entry to Courses in Medicine in Australia (MAKE SURE YOU VERIFY THIS INFORMATION)**

The following universities accept International Students into Undergraduate Medicine or offer pathways into Graduate Medicine. The entry requirements and timelines on the reverse are for local students. Selection criteria and application timelines for International students are often different. Please note that the closing dates for International Students are often much earlier. **If you are, or will be**, applying for Australian residency or citizenship you are advised to sit the **UCAT** even if it is not compulsory to do so. If residency or citizenship were to be granted before selection, students without a UCAT result would not be eligible (other than at JCU). For information regarding **ISAT** and test dates, please visit the following website: [www.acer.edu.au/ISAT](http://www.acer.edu.au/ISAT) (one method of test preparation for the ISAT is doing the GAT).
